PROFESSIONAL EXPERIENCE

Flutter Developer   06/2024 – 01/2025
Freelance   Thane, India
Developed and delivered **custom Flutter applications** for clients, ensuring **high performance and responsiveness** across platforms. Worked on **UI/UX design, API integration, state management**, and backend connectivity. Focused on building **scalable, maintainable, and feature-rich** mobile applications tailored to client requirements.

Dot Net Developer Intern   06/2024 – 07/2024
Equitec Technology for Finance   Mumbai, India
Completed a **learning-based internship** focused on **C#, Dapper, and .NET Core**. Gained hands-on experience in building **efficient database interactions** using **Dapper ORM** and understanding **.NET Core** development principles. Enhanced problem-solving skills and deepened knowledge of backend development.

EDUCATION

Bachelors of Computer Application   2022 – 2025
Sahyog College of Management Studies and IT   Thane, India

SKILLS

Node js	Express	MongoDB	Flutter	C#	.Net Core

PROJECTS

Mychat   03/2025 – 03/2025
Developed a **1:1 chatting and video calling app** using **Flutter, Node.js, and MongoDB**. Integrated **WebRTC** for seamless video communication and **WebSockets** for real-time messaging, ensuring low-latency and efficient data transmission.

Webroom   02/2025 – 03/2025
Built a **full-stack social media platform** using **React, Node.js, Express, and MongoDB** for college students to connect and collaborate. Features include an **AI Mentor** for guidance, a **WebRTC-powered private video call environment**, and **project partnerships** for team formation and real-time collaboration.

DNS Server   12/2024 – 12/2024
Built a **DNS server** using **Node.js** with **UDP protocol** for domain name resolution. Gained expertise in **DNS query processing, record resolution, and response handling**, ensuring efficient and accurate lookups.

Naf Garment   10/2024 – 11/2024
Built an **E-Commerce platform** using **Node.js, Express, MongoDB, and Flutter**. Integrated **Razorpay** for secure payments and implemented **role-based access control (RBAC)** for **Wholesalers** and **Retailers**. Developed a **desktop-accessible admin panel** for efficient order, user, and inventory management.
